Front-End Developer | React.js | TypeScript | UI/UX Focused | [Portfolio](#)

PROFESSIONAL SUMMARY

Results-driven Frontend Developer with **2 years of experience** building scalable React.js enterprise applications. Proven track record of **increasing user engagement by 70%** and **reducing security incidents by 30%** through RBAC implementation. Skilled in TypeScript, Redux, REST API integration, and cross-functional collaboration. Seeking a product-driven team to deliver high-impact frontend experiences at scale.

TECHNICAL SKILLS

Frontend: React.js, Next.js, TypeScript, JavaScript (ES6+), Redux, Redux Saga, HTML5, CSS3, TailwindCSS, ShadcnUI

Backend / DB: REST APIs, WebSockets, MySQL, PostgreSQL, MongoDB (familiar)

DevOps & CI/CD: GitHub Actions, CI/CD Pipelines, Git, Firebase, Vite

Tools: Postman, Syncfusion, DronaHQ

Other: RBAC, CRUD architecture, Agile/Scrum, Cross-browser compatibility

PROFESSIONAL EXPERIENCE

Eazy ERP | Frontend Developer (React.js)

Mar 2024 – Present

- **Sole frontend owner** of Eazy Cockpit, an internal enterprise platform — architected and delivered the complete React.js UI end-to-end.
- **Increased user engagement by 70%** by building scalable React dashboards across 6 enterprise modules.
- **Reduced unauthorized access by 30%** by implementing role-based access control (RBAC) authentication platform-wide.
- **Eliminated manual effort** by automating core business workflows using DronaHQ across operations teams.
- **Maintained and enhanced ManageDMS**, resolving live production bugs and shipping new features on an aggressive release cycle.
- **Delivered consistent UI performance** leveraging Syncfusion grid-based interfaces across enterprise CRM modules.
- **Streamlined QA cycles** by validating API flows in Postman and coordinating Docker-based deployment testing with backend teams.
- **Accelerated release velocity by 40%** by configuring GitHub Actions CI/CD pipelines for automated build, test, and deployment workflows.
- **Improved cross-team collaboration** by establishing frontend coding standards, component documentation, and reusable component library adopted across 3 product teams.

PROJECTS

Mentai — AI Career Assistant ([LINK](#))

2025

- **Built an AI-driven platform** generating industry insights, practice quizzes, tailored resumes, and cover letters instantly using Next.js and ShadcnUI.
- **Integrated Clerk authentication** and Inngest for serverless workflow orchestration, supporting secure multi-user sessions.

Outfit Organizer ([LINK](#))

2025

- **Engineered a virtual wardrobe app** with 4 interactive pages using React, Redux & TailwindCSS.
- **Enabled upload, preview & deletion of 100+ outfits** with Redux-powered state management and a Recharts analytics dashboard.

Mindmapper AI Chrome Extension ([LINK](#))

2025

- **Built a Chrome extension** to generate AI-powered summaries and flowcharts from web content using the Gemini API.
- **Integrated Gemini API** for text parsing, summarization, and structured data generation, reducing manual note-taking effort.

EDUCATION

B.Tech, Computer Science | Prestige Institute of Engineering Management and Research (RGPV, Bhopal)

CGPA: 9.10 | 2019–2023

ACHIEVEMENTS & LEADERSHIP

Scholastic Achievements

2019–2023

- **Ranked in top 2%** of 450+ B.Tech students; awarded **₹1.05 lakh merit scholarship** and AISSCE Merit Certificate.

Notable Accolades

2020–2023

- **Selected as 1 of 20 top students (out of 1800+)** to represent Prestige Group at G20 Summit '23; anchored 10+ major college events engaging 1500+ attendees.

Placement Coordinator

2023

- **Facilitated 300+ student placements** and organized 10+ recruitment drives, efficiently managing ₹90+ lakh budgets and end-to-end logistics.

Secretary General, PMUN

2023

- **Led the MUN team**, overseeing 10+ committees and 150+ delegates; successfully planned and executed full conference operations.

Head Coordinator — Tech HR Event

2023

- **Spearheaded Tech HR event** as Head Coordinator, leading a 20-member team and engaging 35+ HRs from top firms including Hexaware and Genpact.
